MEMORANDUM FOR: Director of Logistics

SUBJECT : Shuttle Service between the New Building and
Adjacent Parking Areas

REFERENCE : Memo dtd 5 Mar 62 to DD/S fr D/L; subj: same
as above

1. I note in referenced memorandum that you have not explored the possibility of "tractor-trailer trains used at public expositions." You may recall that this is exactly the type of service which General Cabell suggested we consider most seriously at the time the Director approved of the West Parking Lot.

2. Accordingly, I should like to have this matter pursued without delay.
